

Immeasurable: Seeking to Understand Our Generous God
November 6, 2016
“A Generous Beginning”
2Corinthians 8:1-8

Main Idea: Give yourself before you give your stuff.

1. How do you need God’s grace right now? What does it take to appropriate God’s grace?
2. How were the Macedonians able to give beyond their means?
3. Why did the Macedonians beg Paul to participate in the collection for the church in Jerusalem? What does this tell you about the Macedonians?
4. What does it mean the Macedonians gave themselves to God (John 15:4-7)?
5. What does it mean to give yourself to the leadership of a church (Hebrews 13:7, 17)?
